C. O. Burden
(1898-1949)

Whereas C. O. Burden served Joliet Township High School and Junior College for many years with distinction;

Whereas his service as a teacher has influenced for good the lives of thousands of young people in our community;

Whereas his association with young people and adults in this community helped them to understand and solve the many perplexing problems of the past two decades; and

Whereas his untimely death has taken him from our school,

Therefore Be It Resolved, that the Board of Education expresses appreciation for his services by recording this resolution in the minutes and giving copies to his family and the local press. — Resolution passed by the Board of Education upon the death of Mr. Burden.

STUDENT COUNCIL

The purpose of the Student Council is to bring about a closer cooperation between the students and the faculty and to discuss problems confronting the student body. Practically all mixers and dances are directed and controlled by the Student Council. The annual fall and spring formals are the major activities sponsored by this group.

The Student Council meets once each week on a Tuesday afternoon during the 9-10 periods. According to the newly amended Constitution, the Student Council is composed of a president, vice-president, and secretary-treasurer of the Freshman and Sophomore classes, a representa-

tive from each of the five largest curriculums and two at large, representing the rest of the smaller curriculums, and representatives from the following organizations and clubs: Choir, W.A.A., Engineers' Club, Blazer, Annual, and the Students of Medical Science Club.

At present, the five largest curriculums are Engineering, Liberal Arts, Pre-Commerce, General, and Pre-Medical.

The officers for the first and second semesters are: Bob Draznik, president; Jim Pearson, vice-president; Madelene Niznik, secretary-treasurer; and Mr. Walter A. Myers, sponsor.

THE SHIELD

We, the yearbook staff, hope you enjoy this year's yearbook as much as we enjoyed working on it. Every effort has been made to make "Forty-Niners" a successful remembrance for graduating sophomores as well as under-classmen who will enjoy looking back over their years at good old JJC.

The '49 Shield is just packed with pictures of classes, organizations, and around-the-school snapshots of past year scenes.

The Shield staff was headed by Earl Hayes as editor; Mary Lou Culik, assistant editor; Dick Smith and Marilyn Murdey, art editors; Jerry Kezele, organizations editor; Harvey Trackman, photographer; Doris Stitt and Don Palmer, advertising; and Jean Larsen, publicity. T. B. Sennett, who has put a great deal of time and effort into the success of this yearbook, acted as faculty advisor. M. E. Leatsler supervised the photography.

Skating parties, mixers, splash parties, and dances are only a few of the many activities enjoyed by this group.

Their two big social events of the year were a Sunrise Dance and a Date-Banquet. The Sunrise Dance was an unusual dance held in the wee, small hours of the morning. The Date-

Banquet was held on May 14, the evening of the spring formal. Fun was had by all.

This group of young men meets every Wednesday night at the local Y.M.C.A. The purposes of the club are to improve the living, both mentally and morally, of college men, to provide entertainment for education and relaxation, and to raise spiritual fellowship into the minds of the men.

FUTURE DISTRIBUTORS OF AMERICA

The F.D.A. Club is another recently organized club at JJC. Membership in the Future Distributors of America is limited to those students who are specializing in distributive occupations and who are enrolled in the distributive education class. These pupils attend school during the morning and work in business establishments during the afternoon.

Besides getting credit for their four periods each morning in class, these distributive education students also get paid regular wages for their services in the store and regular credit for time spent on the job, which is considered the same as class time.

On February 26, 1949, Harvey Johnson, a distributive education student, accepted a charter for the F.D.A. Club in Springfield when he and eight distributive education students, along with Duane Kirchoff, Distributive Education co-ordinator, attended the fourth annual convention of the Future Distributors of America Clubs in Illinois.

Bill Gladders was elected president of the club at the organizational meeting. Other officers are Betty Johnson, secretary and John Hinton, treasurer.

PRE-MED CLUB

The SMS Club, a newly organized group, has had an active year. The purpose of this club is to promote fellowship and increase knowledge in the field of medical science.

Approximately 40 young men make up the membership of this up-and-coming organization. In order to become a member, the student must be in a Pre-Medical, Pre-Dental, or Pre-Pharmacy curriculum.

Mark Meers was the first to serve as president, John Coady, vice-president and John Klocke, secretary-treasurer. The second semester officers are Gus Samios, president; Karl Zobel, vice-president; and George Lambakus, secretary-treasurer.

The Students of Medical Science Club has a good start and shows promise of becoming an important organization in JJC.

Meeting time for this club is every first and third Thursday of each month. Refreshments are served after each meeting.

Besides their regular meetings, educational movies, lectures, and field trips, the engineers also plan parties, hayrack rides, and dances.

One of the most popular extra-curricular organizations at JJC is the Women's Athletic Association, better known as the WAA. Membership in this organization is automatically gained by payment of the student activity fee.

The WAA offers sports not only for women but co-ed sports as well.

Some of the sports offered are: swimming, archery, badminton, baseball, tap, ballet, volleyball, tennis, ping-pong, and golf. The newer

co-ed sports are: co-ed bowling, co-ed riding, and co-ed noon sports.

Among the other activities presented this year were the sport dance "Buttons and Bows", the annual Christmas Mother-Daughter Tea, Dad-Daughter Sport Night, and the traditional hayrack ride.

A new plan installed this year enables both men and women to take two sports, either co-ed or not, for gym credit.

BASKETBALL

The Joliet Junior College basketball team, playing its first season under Coach Perry Goranson, came through with flying colors, winning the South section of the Illinois Junior College conference, and competing in the National Junior College basketball tourney held at Hutchinson, Kansas.

Much of the success of the 1948-49 JJC basketball team was due to the presence of two graduating sophomores, Captain Dick Williams, a guard, and forward Clair Warning. Throughout the season, the Wolves depended very heavily on the ball handling, scoring, play making, and rebounding of these two fine cagers. The loss of Dick Williams and "Swish" Warning will deprive Coach Goranson of two of the fin-

est players in the conference. Another sophomore, Tom Williams, played outstanding ball before being ruled ineligible at mid-term, hurting the purple and white considerably.

Despite the loss of these three outstanding hoopsters, the prospects for the 1949-50 JJC basketball team are very bright due to the fact that four regulars from this year's team return for a full year. Returning next year will be freshmen guards Jimmy Gannon and Jerry Larson, forward Bob Whyte and center "Moose" Broderick, along with reserves John Demos, Pete Lennon, "Moose" Parker and Bill Rice.

Another successful performance for the basketball team was scored by student managers Jay Wagner and Ben Borkon, who did a fine job all year.

Chicago Col of Optometry

Playing their first game of the year with new Coach Perry Goranson at the helm, the JJC Wolves rapped a weak Chicago College of Optometry team with a 69-32 defeat.

Thornton

Led by Tom Williams' accurate shooting, the Junior College basketball team tripped up Thornton Junior College by a score of 63-53. In winning the second game of the season, the Wolves displayed some excellent passing and red hot shooting against a good Thornton five. Tom Williams, Joliet forward, connected with 10 field goals on 17 attempts for a 21 point total.

Morton

In defeating Morton for the first time in two years, the purple and white exhibited fine basketball teamwork. The distribution of scoring was well distributed as the Wolves turned back Morton 63-53 by the identical score which they had turned back Thornton two nights previous.

Evanston

Playing their weakest opponent of the season, the Wolves turned back a very poor team from Evanston, 84-17.

North Park

In an exciting overtime game, the Junior College basketball team notched its fifth consecutive victory defeating the North Park JC 56-53. The Wolves, outscoring the Parkers 3-0 in the extra period, gained temporary undisputed first place in the Junior College Conference.

Wright

Taking advantage of Joliet's coldness and the loss of five key JJC players during the last half, Wright Junior College of Chicago ended the Wolves' victory string at five games by edging them 65-60. Clair Warning, Joliet forward, came through with an outstanding game to tally 19 points for the Wolves.

Globe Trotters

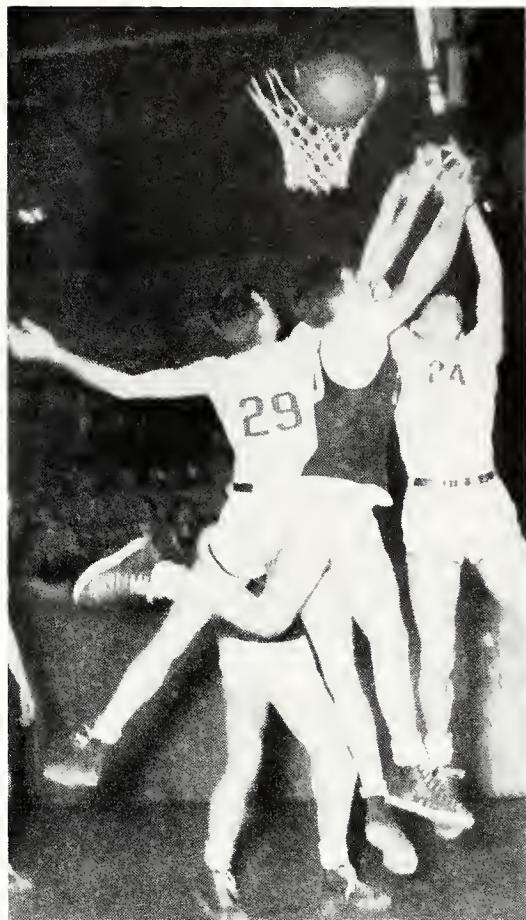

Some 3000 fans were on hand as the Wolves met the touring Harlem Globe Trotters. It was evident that the Wolves were playing against a team out of their class as "Goose" Tatum dumped in 24 points in the first half. The Wolves were in the game only in the first quarter, as they were trailing by a 14-11 score at the buzzer. The final score which the Trotters named was 63-45.

Lewis School

A tired Junior College basketball team met the Lewis College Flyers and turned them back 65-55 just two days after the Wolves had met the Globe Trotters. Bob Whyte and Jerry Larson came through with fine performances. Whyte tallied 21 and Larson 15.

LaGrange

The JC Wolves came through with flying colors as they won an easy victory over Lyons JC of La Grange by a score of 75-54. The Wolves jumped to a 14-3 lead in the first few minutes and never relinquished the lead.

Morgan Park

The Williams brothers, Tom and Dick, sparked the JJC attack with 32 points as the Wolves downed Morgan Park JC 67-55 on the cadets' home court. The Wolves held a 20 point lead at half time.

LaSalle

After trailing by four points 33-29 at half time, the Wolves turned on the steam, and went on to win over LaSalle 57-49. It was Joliet's third win of the week and it kept them on top of the Junior College conference. Bob Whyte led the Wolves' attack with 15 points.

Evanston Comm. College

Outclassing a very poor junior college quintet from Evanston, the Wolves annexed another conference win by tearing apart the Chicagoans, 58-30. "Moose" Broderick came through with 18 tallies for the Wolves.

Wilson

Staging a sensational comeback, the Wolves overcame a 12 point halftime lead to down a tough Wilson JC of Chicago 65-62. Jim Gannon hit 4 long set shots in the second half to give the Wolves their winning margin. The win kept the Wolves on top of the conference standings.

Herzl

Paced by forward Bob Whyte's 26 points, the Wolves trounced a slow breaking Herzl team 64-46 before a very meager gathering.

LaSalle

Playing one of its best all around games of the year the JC Wolves invaded the LaSalle college reservation, and totaled 74 points in scalping the Apache Braves, 74-52, before a crowd of Warrior rooters.

Morgan Park

Flashing tremendous speed, the Wolves ran the Morgan Park cagers off their feet and gained a 65-42 win.

LaGrange

The Wolves traveled to LaGrange and handed them a 65-55 setback before a small crowd.

Lewis School

The Wolves traveled to the Lewis School crackerbox and were handed a 46-37 defeat. The score was knotted at the half, but the Lewis cagers came through in the closing minutes. The Wolves missed the services of Tom Williams and Clair Warning.

Thornton

The Wolves cinched the south section championship of the JC league with a convincing 65-56 win over Thornton. The Wolves held a 20 point halftime lead.

Morton

The Wolves hung up their 10th straight college conference victory and ended their regular season by drubbing Morton 78-54. Bob Whyte tallied 23, followed by Dick Williams with 18.

Wright (Conference Playoff)

A hard luck JC basketball team lost out to a powerful Wright JC of Chicago in the Junior College state championship game, by a 60-58 score. Wright held leads of 13-2 and 20-10, but the Wolves caught up and were leading with less than a minute to play, only to see hotshot Jim Gray tally 3 points to win the game for Wright.

NATIONAL TOURNAMENT

National Junior College Tournament at Hutchinson, Kansas

The Junior College basketball team accepted the bid to represent the state of Illinois in the National Junior College Basketball Tourney held March 22-25 at Hutchinson, Kansas. The Wolves, playing against schools many times their size, were able to come up with one victory, 64-57, over Tifton, Ga.

Grant Tech., Del Paso Hts., Cal. 67—Joliet 47

Grant Tech., California

In the first round of play at the National Juco tourney at Hutchinson, Kansas, the Wolves bowed to a rangy California team by a score of 67-47. The Wolves led by a 29-21 score in the first half, but the "Sarcens" knotted the count at 29-29 by halftime. As the second half began the close officiating moved Clair Warning, Jerry Larson, and "Moose" Broderick to the sidelines in quick order, and from that point the issue was never in doubt.

Tifton, Ga.

The second game of the National tourney was a different story, as the Wolves downed a hard fighting ball club from Tifton, Ga., 64-57. The Wolves held a 34-26 halftime lead, and once led by 11 points in the second half, only to have the boys from Tifton gain a 52-52 deadlock with three minutes remaining. Jerry Larson came through with 2 baskets and 2 free throws in the remaining minutes to assure the Wolves of a victory.

Campbellsville, Ky.

A tired and heavily taxed Junior College basketball team returned to Hutchinson's Convention Hall for the third successive day to be dealt a 76-62 defeat at the hands of a fast ball club from Campbellsville, Ky. The Kentuckians held a 32-8 advantage at the outset of the game, and established a 46-22 halftime lead. The Wolves made a valiant attempt to get back in the ball game in the second half, and came within 8 points of the victors with 7 minutes remaining. At the start of the fourth quarter the Wolves tallied 8 baskets while Campbellsville did not score a point, but all was in vain. Bob Whyte and Dick Williams led the Wolves in scoring with 21 and 16 points respectively.

First Row: Glenn Schultz, Dick Williams, Jack Kostelz, Clair Moore, Pat Cleary, Danny Thom.
 Second Row: Gene Stevens, Ted Smith, Coach A. A. Wills, Frank Gabrys, Keith Staatz.

BASEBALL

Coach A. A. Wills has completed another successful season as mentor of the JJC baseball team. It was a long uphill battle that required nine consecutive victories after dropping the first two conference games of the season, but the Junior College Wolves brought back the first Illinois Junior College conference title to Joliet since 1935. It was the fine pitching of veterans Keith Staatz and Gene Stevens, and the hard hitting of the entire team that enabled the Wolves to bring back the title. Big Frank Gabrys, Joliet first baseman, led the Wolves' hitting attack, compiling a .458 average for the season. Frank is now a member of the Chicago White Sox farm system.

The Wolves were hampered all season by a lack of reserve strength, but they worked very efficiently by using one of their pitchers in the outfield when he was not pitching.

The Wolves also won two non-conference contests from the Lewis School Flyers.

1949

Coach A. A. Wills' prospects for the 1949 edition of the Junior College baseball team are very bright. Returning from the 1948 Conference championship team are infielders Clair Moore, Danny Thom, and Dick Williams; outfielder Don Boseo, and pitcher Pat Cleary. In addition Wills has able replacements in Catcher Tom Elwood, Pitcher Jim Gannon, and first baseman "Moose" Broderick.

The Wolves opened the 1949 season the right way with a 10-0 shellacking of Fort Sheridan. If that is any indication of what is to come the Wolves should be right in there fighting for the conference championship again.

First Row: Jim Ajamie, Joe Feehan.

GOLF

Another fine golf team represented Joliet Junior College during the fall season of 1948. Led by Captain Joe Feehan, who was Will County golf champion last year, the Wolves scored an impressive 5-2 dual meet record and ranked third in the Junior College state meet held October 25. This was the third successive year that the JJC golf team, under the tutelage of Coach Don Kienlen, has finished among the top three in state competition.

Highlighting Joliet's excellent play all year was sophomore Feehan, who climaxed his JJC golf career by grabbing a third place among individual medalists in the state tourney, being edged out of second place by a single stroke. Another mainstay for the JJC linksters was Bob Miscewicz. "Mez" played well in most of the dual meets and shot just two strokes over Joe Feehan's third place tourney total.

The rest of the tourney squad consisted of Jerry Larson, Jerry Shea, Bill Hamrick, Jim Ajamie and Jack Davis. Other squad members included Ralph Robinson, Dick Tessiatore, Ray Meyer, Clare Moore, Frank Preston, Blake De-laney and Tom Neal.

Much of the success of Joliet Junior College's golf team must go to popular Coach Don Kienlen, who led his boys to five straight dual wins after two consecutive early season defeats.

The season's record for the JJC golf team is as follows:

Joliet 7	Thornton 8
Joliet 6½	LaGrange 8½
Joliet 10	Wright 5
Joliet 14	Morton 1
Joliet 9½	North Park 5½
Joliet 14½	Herzl ½
Joliet 12	Evanston 3

Four Joliet Junior College girls, Martha Mагill, Jean Kavanaugh, Bunny Brown and De-lores Sealey, acted as scorekeepers at the 36 hole state meet held at the Calumet City Country Club. The team standings for this tourna-
ment were:

Thornton	861
Wright	885
Joliet	902
LaGrange	937
North Park	944
Evanston	1004
Morton	1039

First Row: Bill Wilbur, Earl Hayes, Fred Whitney.

TENNIS

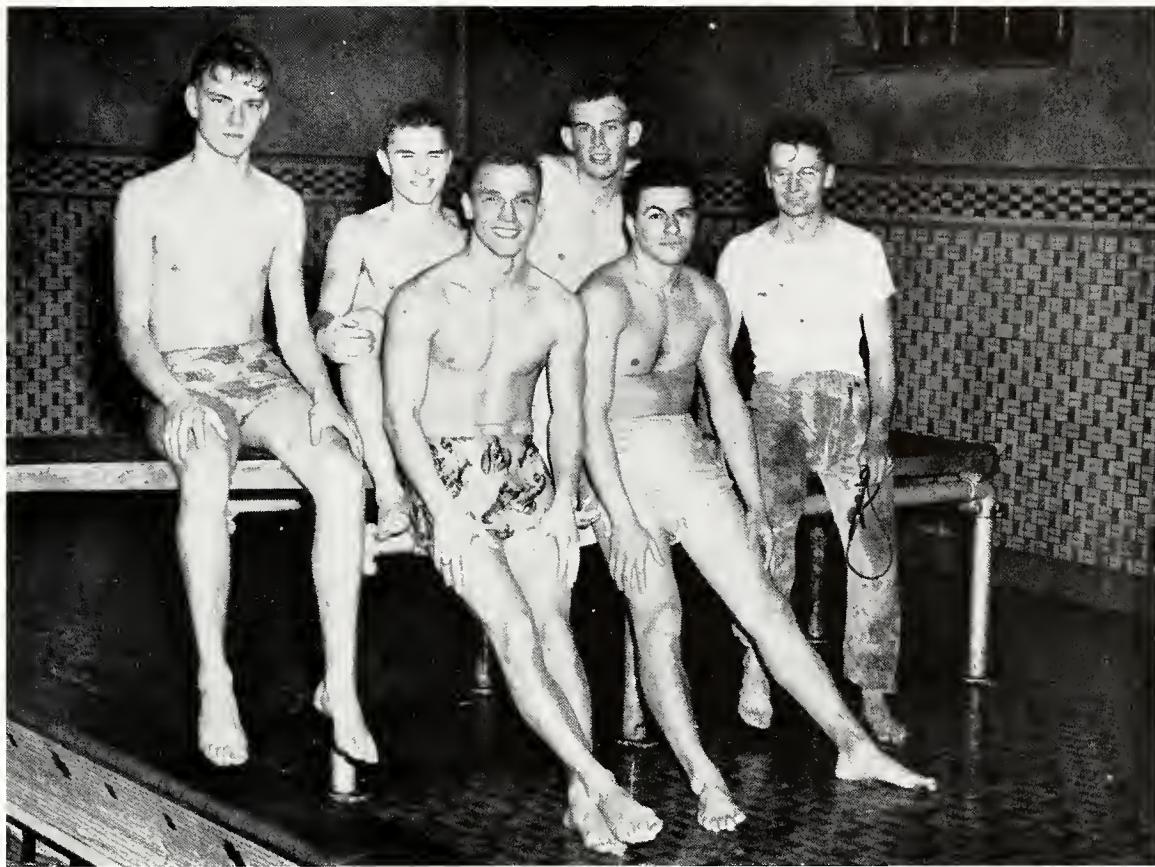

The Joliet Junior College tennis team faced their 1949 net schedule with a fairly good season in prospect. The Wolves have a well balanced team led by experienced players such as John Altenhoff, Mike Sanfilippo, Bob Merriman, Fred Whitney, and Bill Wilbur, who prepped in a Wisconsin high school. Other less experienced candidates who have been looking very good in the early practice sessions are Bill Pfeiffer, Earl Osborne, Roger Holden, Andre Bayle, and Fleming Berthelsen.

The JJC netmen will be under the helm of coach Ralph Herman for the first time this year. Coach Herman was a star on the JJC tennis teams of 1942-43, and he is still an active competitor in the various tennis tournaments held in this area. The new mentor is a former Will County park district champion.

As this book goes to press the team has not been selected and positions will be determined by the candidates playing against Coach Herman and each other.

The conference championships are to be held Saturday, May 21, at a site to be announced later. The remainder of the schedule is as follows:

- April 19—Joliet at Morton
- April 21—North Park at Joliet
- April 26—Joliet at La Grange
- April 28—Thornton at Joliet
- May 3—Joliet at Morgan Park
- May 5—Wilson at Joliet
- May 10—Evanston at Joliet
- May 12—Joliet at Wright
- May 17—Herzl at Joliet

SWIMMING

The Joliet Junior College swimming team faced its second year in the Junior College Conference with little hope of matching the second place finish compiled by the 1947-48 aggregation. The loss of such tank stars as Jack Pearson, Don Muhlig, Chuck Repenn and Bill Hogan was very deeply felt by Coach Bal Longman as he attempted to mould a strong 1948-49 squad.

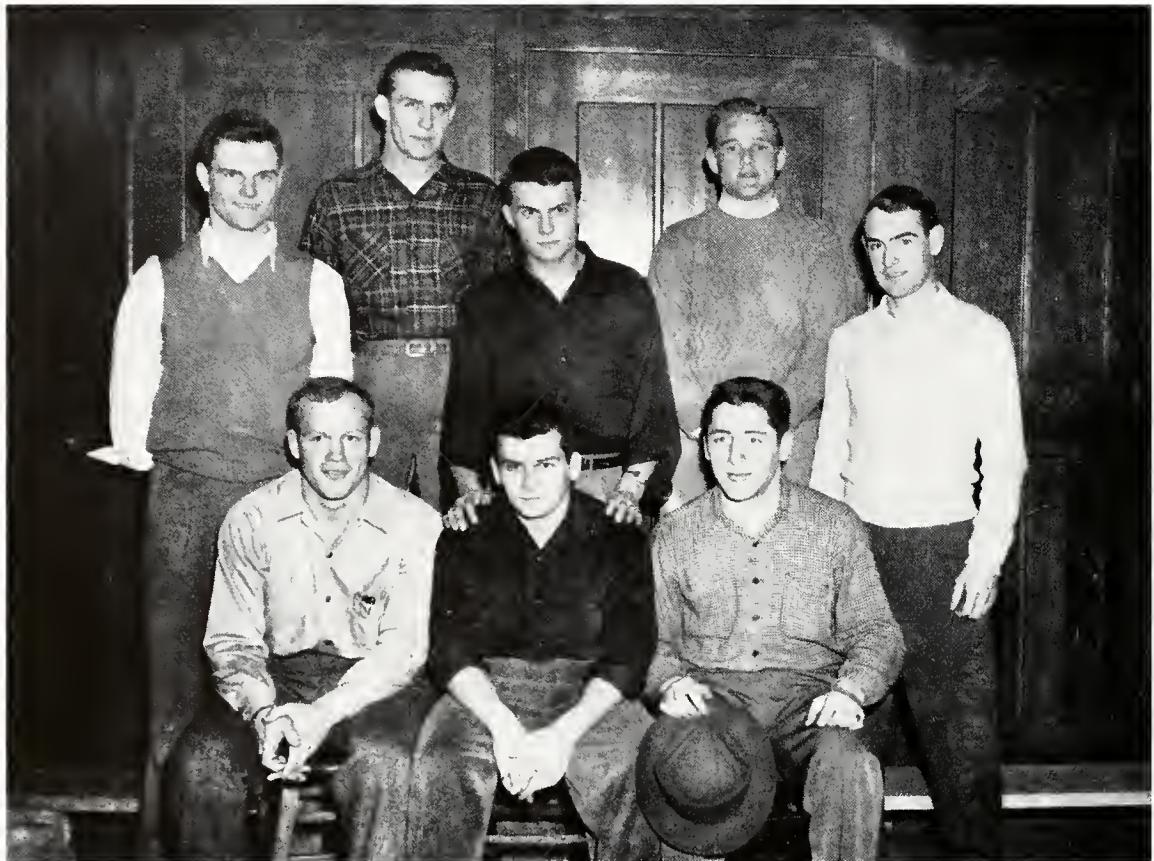

In addition to this, Corky Skoog, one of the finest swimmers in the conference, departed from JJC at mid-year, depriving Joliet of its only consistent point-getter.

With the loss of Skoog at mid-year, the brunt of Joliet's meager scoring fell on consistent Harvey Cain and Bob Mitchell, a fine diver who dove for last year's team and who transferred back to JJC from Illinois Normal University.

The rest of the team was comprised of Dick Tessiatore, a member of the 1947-48 team and an excellent breast stroker, Ralph Repenn, Russ Cronholm, Jim Pearson, Howard Anderson, Ed Muren, Reid Holmstrom, Art Wilhelmi and Andy Bayle.

The Wolves held their practice sessions and home meets at the Joliet YMCA. The team's schedule was as follows:

Dec. 6	Joliet at Thornton
Dec. 16	Morton at Joliet
Dec. 23	Herzl at Joliet
Jan. 13	Wilson at Joliet
Feb. 7	Joliet at North Park
Feb. 17	Evanston Comm. Coll. at Joliet
Feb. 21	Joliet at Wright

First Row: Jim Caldwell, Clair Moore, Don Govoni.
Second Row: Bob Draznik, Wes Wilson, Frank Preston, Ed Brisco, Dan Thom.

INTRA-MURAL SPORTS

The Cormorants, a team made up of Junior College men, were the only active intra-mural group from JJC during 1948-49. They participated in basketball, volleyball, and touch football against the strong teams from JTHS and placed high in all these sports.

The college intra-mural program offers an opportunity for all junior college men to participate in sports regardless of ability or grades, but due to the lack of college teams entered, it was

necessary for the collegians to enter the high school league.

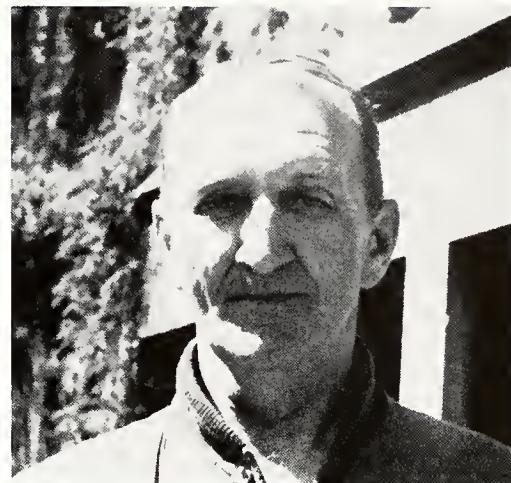

Coach Neil Lance, head of the intra-mural sports program, plans to have a separate college league next fall, provided enough interest is shown.

The Cormorants were composed of Don Govoni, Bill Troughton, Bob Draznik, Wes Wilson, Frank Preston, Jim Caldwell, Ed Briscoe, Monk Moore, and Danny Thom.

QUEEN JOAN HALLELAND

THE FALL FORMAL

Following through a tradition established here at Joliet Junior College in 1946, the school was once again in a state of suspense during the last week in November as to who among the candidates would be elected queen of the annual fall formal.

The week previous to the much elaborated upon election day was active with high pressure electioneering on the parts of the backers of the respective candidates. The Student Council nominated Dietta Lang as its prospective queen, while the Sophomore Girls' Y proposed Jean Larsen; the Blazer and Shield, Joan Johnson; the Men's College Y, Joan Halleland; the Engineers' Club, Lois Endress; the Choir, Fay Raddatz; the Ci-Fi-Y, Marilyn Ristau; and the Pre-Med Club, Mary Lou Klein.

The ballots being cast, and the results in several days before the dance only added to the anxiety and speculation, and it wasn't until

during the course of the dance, entitled "Evening in Paris," that the winner was announced and introduced to the people present.

The theme of the dance, "Evening in Paris," carried out by Mr. E. C. Puddicombe, Jim Pearson, Dick Smith and Danny Thom, was very effective, featuring in the decorations a Parisian sidewalk cafe, flower shop, cabaret, and a reproduction of the **Arch de Triomphe** over twenty feet tall. The candidates for queen marched from beneath this Arch of Triumph to a podium erected along the west wall of the gym where Ed Hertko, general chairman of the dance and master of ceremonies for the evening, introduced the nominees. After the introductions he announced the queen of the 1948 fall formal, Joan Halleland.

The ceremonies finished, the 250 couples returned to their dancing. Music was furnished by Roy Gordon.

ARSENIC AND OLD LACE

"ARSENIC AND OLD LACE" was one of the most outstanding successes ever achieved by a junior college group. Under the capable direction of B. F. Johnson, assisted by Miss Shirley Miller, the play was presented on the nights of November 5 and 6, before large audiences.

This play is the story of two old sisters who discovered a new form of charity. They give homeless old men a drink of delicious elderberry wine—with just a dash of arsenic. They thereby relieve the lonely old fellows of further struggle in this world and send them to the peace and quiet of the beautiful beyond.

Great praise was given to the director and cast. The cast included:

Abby Brewster Jayne Brethorst
Rev. Dr. Harper Richard White

Teddy Brewster Mickey Balma
Officer Brophy Bill Rutter
Officer Klein Jim Pearson
Martha Brewster Judy Duston
Elaine Harper Norma Ruden
Mortimer Brewster ... Arthur Larson
Mr. Gibbs Harvey Cain
Jonathan Brewster ... Bud Nemanich
Dr. Einstein Kermit Breen
Officer O'Hara Danny Thom
Lieut. Rooney Wendell Carter
Mr. Witherspoon ... Jim Van Duyne

Praise should also be given to the technical staff, people who helped in the advertising, and the Joliet Township High School Orchestra, under the skillful direction of Peter Labella.
